

REMARKS

Applicants also enclose a paper copy form of a Sequence Listing. Applicant has corrected the paper copy to reflect that only 5 sequences are present instead of 7. The content of the paper copy and of the previously submitted computer readable form is the same. This submission contains no new matter.

The Examiner is hereby invited to contact the undersigned by telephone if there are any questions concerning this amendment or application.

Respectfully submitted,

Date: August 21, 2006
